Project #21622 Saved. Submitted projects are subject to review by PLPCO staff prior to official project creation.

Project Id: **21622**

* Sponsor: DNR/Division of Oil, Gas & Mining

*Comments Due to Sponsor: 07/28/2010 (MM/DD/YYYY)

Anticipated Project Start Date: (MM/DD/YYYY)

*Title of Proposed Action: Notice of Intention to Commence Large Mining Operations for Applied Mining

*Project Abstract: During Operations:

Mining will occur both on the surface and using an existing decline. Much of the surface is covered with waste material from previous operations, and the current operator intends to re-process this material. Processing methods will include screening, grinding, and air flotation, but no water or chemicals will be used.
